

SHAH SATNAM JI COLLEGE OF EDUCATION, SIRSA PROGRESS REPORT 2021-22

“Education is the movement from darkness to light.”

Allan Bloom

Introduction

Shah Satnam Ji College of Education, Sirsa is committed to teach excellence and provide the highest quality education to its students. Education is an important aspect that plays a huge role in the modern and industrialized world. Modern society is based on people who have high living standards and knowledge which allows them to implement better solutions to their problems. The institution makes its efforts to develop in its students a perspective of looking at life as it is the most important element in the evolution of the nation. To impart education and to develop the nation, Shah Satnam Ji College of Education is providing its services to the society and making efforts to bring educational revolution on large scale.

Shah Satnam Ji College of Education, Sirsa is affiliated to Chaudhary Devi Lal University (Sirsa), NCTE (New Delhi) and SCERT (Gurgaon). It is run and managed by Shah Satnam Ji Research and Development Foundation, Sirsa. Accredited by NAAC, the college has built its goodwill as one of the best colleges in Haryana with a rich legacy of excellence in teacher training, research, innovation and skill development.

The college ranks amongst the best in education institutions. Making a beginning in 2006, the institution is now running three courses i.e. D.El.Ed. B.Ed. and M.Ed. The infrastructure and facilities not only provide stimulating environment but also an ideal setting for professional training .The aim of the institution is to create an environment for effective teaching-learning by encouraging the students and faculty to nurture their intellectual curiosity, and scientific and research temperament.

The present report also provides us the information on mission and vision of the institute and summarizes its achievements in the past year.

“A spirit with a vision is a dream with a mission”

❖ Vision

We envision Shah Satnam Ji College of Education as a catalyst for developing true educated, engaged and employable individuals whose collective energy will work as a driving force for the prosperity of the society as well as nation. The vision of the college is also to meet our nation’s growing need for efficient and committed learner centered teachers which make education accessible to all without consideration of caste, creed or gender.

We will do this by helping our students to develop the right attitude, skill and knowledge. All these have been framed keeping in view the need and requirements of the traditions, values, aspirations and spirituality and all-round development. It can be bifurcated in

- Our society is a globally progressive society which has its citizens working for social and cultural harmony. It has love and respect for all citizens. We ought to have sensibly sensitive attitude and is ready to take responsibility for the welfare and well-being of all.
- Inclusive and holistic development of every individual is essential because we believe “Able Teachers Make Noble Nation”.

❖ **Mission**

The mission of Shah Satnam Ji College of Education is to develop efficient and dedicated teachers for the development of country as well as to provide innovative educational environment, opportunities and experiences to enable the individuals, communities and regions to grow, thrive and prosper.

Thus, mission is to produce highly qualified, professionals, sensibly responsible teachers, who are intellectually strong, culturally matured and internally disciplined.

❖ Objectives of the Institution

“The objective of education is learning not teaching.”

The objectives of the institution are:

- To recognize, promote and develop the capabilities and universal values in the student teachers needed for cohesion and welfare of society and nation.
- To make aware, inspire and enable the student teachers to integrate the ICT with Ancient Indian Educational Philosophy (Indian Culture and Civilization) for a quality academic environment.

- To stimulate, sensitize, educate and enable the student-teachers for excellence in teaching-learning, research and innovation.

- To provide enthusiastic, motivating, inspiring and equally accessible teaching environment, conducive to the professional growth of teacher educators and student teachers.
- To invent, adopt and practice the growth of ICT for teaching-learning of student teachers to meet the emerging issues, needs and problems to the school education system in global context.
- To produce dedicated professionals to enhance the quality of education.
- To preserve our socio-cultural heritage.

- To develop creative thinking and innovative practices.
- To develop positive attitude towards life.
- To develop the sensitivity towards social issues-poverty, literacy, pollution, Erosion of human values and also to aware about the duties and rights of citizenship.
- To develop critical capabilities among teachers and students and to use research findings as basis for improving their teaching.
- To provide quality education without any discrimination of caste, creed and religion.
- To make such responsible nation builders who have love and respect for all.
- To produce teachers who understand the professionalism of teaching.
- To provide the suitable environment for the all-round development of students and teachers.

Research Activities for College

Date- Jan 27 to Feb 03, 2022

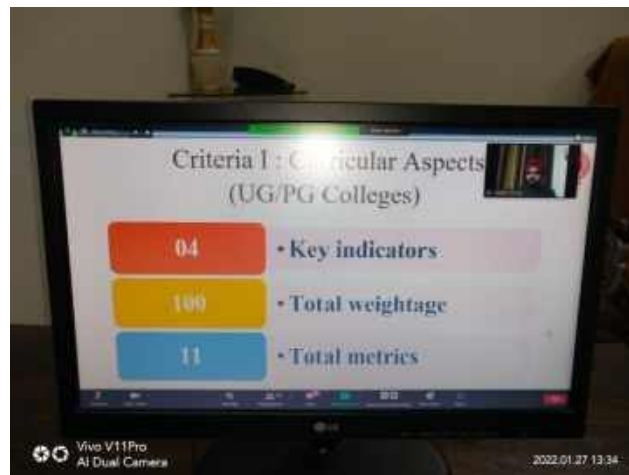

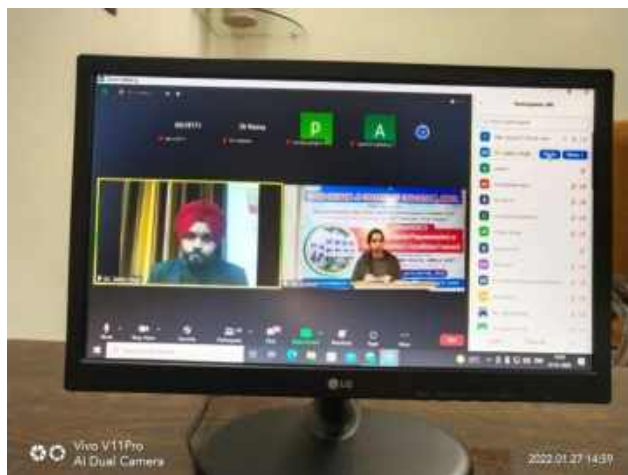

Activity- FDP on Revised Assessment & Accreditation Framework (online)

Shah Satnam Ji College of Education, Sirsa is a reputed, renowned, pious institution, well known for its majestic educational management and infrastructure. Being one of the teaching institutions. The college is providing its services effectively. The institute ensures the development of national integration, personality of students and their research aptitude through its education and resource activities. The institution has a privilege to organize many research activities such as seminar, webinar, workshop etc. In the continuation of research activities. The college organized an online seven days faculty development programme (FDP) on Revised Assessment & Accreditation Framework NAAC organized under the aegis of IQAC in collaboration with Sanatan Dharma College, Ambala Cantt. From 27th Jan to 3rd Feb, 2022. The programme was scheduled with the following major objectives-

- Bring awareness and present critical insights into all seven criteria of NAAC.
- Give guidance for SSR preparation.
- Present source of the best practices followed by top graded institutions and suggest measures for overall quality enhancement and institutional growth.
- Explain procedure to be followed and precautions to be taken during peer committee visit.

Day I

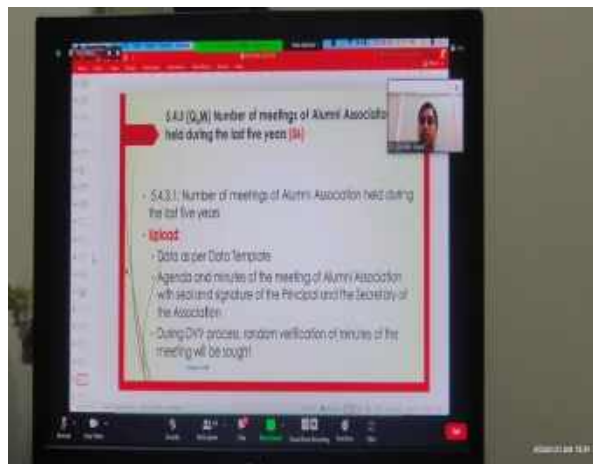

On the first day of the FDP, opening remarks were given by Dr. Meenakshi (coordinator of the programme). She welcomed all the dignitaries, resources persons, staff members and participants. Thereafter Dr. Rajni Bala, Principal thanked and welcomed all the dignitaries and laid a special thanks to Sanatan Dharma College Ambala Cantt. for their valuable efforts and contribution.

This was followed by the introduction to NAAC and quality enhancement in Higher Education by Prof. Kulwinder Singh (Retd), Punjabi University Patiala. The key speakers of the day were Dr. Rajender Singh, Principal and Dr. Satbir, Asstt. Prof., Sanatam Dharma College, Ambala Cantt. The whole session was divided into two parts. The first half of the session was delivered by Dr. Rajinder Singh, Principal, the Sanatam Dharma College, Ambala Cantt. He shared his valuable insight on the topic “Introduction to NAAC Revised Assessment & Accreditation Framework” with the objective to educate and train faculties of the college about NAAC new guidelines & upgrade about various criteria and new metrics. Sir was talked about the benchmarking and it is important for each and every institution for its better functioning. He explained that quality consciousness is the key pillar for good documentation, SSR and DVV process as per NAAC instructions. He said each and every report should be prepared according to particular pattern and for this he set number of examples. He highlighted the importance and relevance of the topic in current scenario of Higher Education Institutions. The second half of the session was taken by Dr. Satbir Singh, Asstt. Prof. He expressed his views on NAAC criterion I: Curricular Aspects, he thoroughly laid emphasis on the topic and engaged the audience throughout the session. He shed light on the value-added course, course learning outcomes, program learning outcomes, Curriculum & Syllabi and feedback system. After that there was a query session for the participants. There was a wonderful discussion in the query session.

Day II

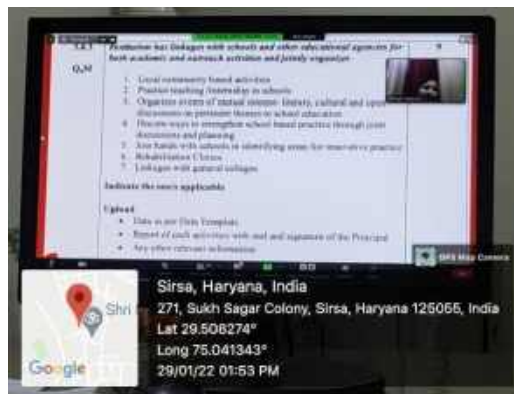

On the 2nd successive day of the FDP, the key speaker for the session was Dr. Giridhar Gopal, Asstt. Prof., Dept. of Comp. Sci. He was given welcome with brief introduction. The resource person discussed Criterion V- “Student Support and Progression”. He highlighted the importance of the different support systems provided to the students.
